Act 93 for Second Line Administrators Adopted by the Board of Education on July 28, 2015

The following administrator Act 93 plan will be in effect for the July 1, 2015 through June 30, 2016 fiscal year. Salary will be determined by separate Board of Education action.

I. ADMINISTRATORS COVERED

Christine Kelly	Elementary Principal
Robert Presley	High School Principal
Gail Wnorowski	Director of Special Services
Christopher Lake	Director of Curriculum and Instruction/Federal Programs
Robert Taylor	Supervisor of Maintenance, Buildings and Ground

II. WORK YEAR

1. Administrative staff shall work 260 days per fiscal year. Notification of absence, in advance if not an emergency, shall be made to the superintendent's office. Absence verification forms will be turned in within three days following an absence.

III. FRINGE BENEFITS

The school district will provide the following fringe benefits:

1. Health Insurance - The Board shall provide medical hospitalization insurance for employees and their dependents according to the plan design and health insurance carrier of record in effect as of the date of approval of this Plan OR the most recent plan design and health insurance carrier of record if there have been subsequent changes.

Effective the date of Plan approval, employees shall contribute toward the health insurance premium as follows: 7.0% of the premium according to the employee selected plan option.
2. Disability Insurance - Disability Insurance or Income Protection Plan as provided by the carrier.
3. Dental Insurance - Dental Insurance will be available as provided by the carrier.
4. Liability Insurance - Liability Insurance will be available as provided by the carrier.
5. Term Life Insurance - A term life insurance plan in the amount of two (2) times salary will be provided at no cost to the employee.
6. Unused Sick Days - During the term of this contract period, any administrator retiring with at least ten (10) years of service in the district shall be entitled to receive additional remuneration at the end of his/her final year of service for unused sick days. The additional remuneration will be calculated as follows:

Unused Sick Days	Amount Per Day
1-150 Days	\$30.00
151+ Days	\$35.00

For example, an administrator with 155 sick days at the time of his/her last day of service shall be remunerated by the following formula:

$$155 \text{ days} \times \$35.00 = \$5,425.00$$

Payment will be made in two (2) equal payments on or before January 15th of the first and second year after retirement. All payments shall be made to the District's 403b account.

7. **Mileage Reimbursement** - The Board agrees to reimburse administrators the maximum, non-taxable Internal Revenue Service (IRS) rate allowable by the IRS for the use of personal vehicles.

8. **Benefits Waiver**

Voluntary Buyback

To be eligible for the voluntary buyback, an administrator shall provide written documentation that he/she maintains health coverage under another plan or subscribership and therefore will not need the medical insurance coverage provided by the district. Such proof must be presented at the time he/she applies for the waiver. The administrator shall apply for the waiver in writing by April 1st.

An administrator who is eligible for health benefits provided and paid for by the district may voluntarily waive hospital/surgical and medical coverage. In exchange for this annual waiver, the district shall pay the eligible administrator \$2500 per year. Payment by the district of the \$2500 buyback shall be paid each July 15th or during the federal enrollment period if being deposited to the 125 Plan of the year following the annual waiver. If this is a mandatory buyout, payment will be made with the first pay of the fiscal year or during the federal enrollment period if being deposited to the 125 Plan. Administrators receiving the voluntary buyback payment may decide whether to receive the payment by payroll check, a deposit into the administrator's 403b plan, or a deposit into a 125 Plan established by the district. New hires shall be eligible for pro-ration during their first year of coverage, based upon their date of eligibility.

Should a life-changing event occur (as defined by the current health insurance carrier of record) that would require the district to reinstate coverage for an administrator who selected the voluntary buyback, the district will pay him or her a monthly pro-rated portion of the \$2500. The pro-rated payment shall be paid no later than July 15th of the year following the buyback.

Plan 125

The district offers an IRS Section 125 plan and flexible spending accounts for medical expenses and dependent care to members of the administration.

9. **Credit Reimbursement** - Full-time administrative employees may, in addition to their regular salary, earn a credit reimbursement for course work taken at an approved institution, according to the following stipulations:

- a. The fiscal school year is considered to be July 1 to June 30.

Reimbursement will be at 100% for a grade of "A", 80% for grade of "B". Courses graded as a Pass/Fail will be reimbursed at 85%. Reimbursement is limited to the actual cost of 6 credits per fiscal school year.

- b. The administrator who anticipates taking courses with the credit reimbursement in mind should complete a pre-approval form which can be secured from the business office and be returned in time to allow the superintendent fifteen (15) days to evaluate the request and notify the administrator prior to starting the course regarding reimbursement status. Late approval may be given at the discretion of the superintendent in mitigating circumstances.

This form will list the course title, the institution of learning, and the number of credits to be taken. Within sixty (60) days of course completion, the applicant will provide documentation providing the grade earned, and proof of payment. If mitigating circumstances prevent submission of such documentation within the sixty (60) day time limit, the applicant shall submit written notification to the superintendent to extend the time period for payment. No credit will be given toward the reimbursement for incomplete or failed courses. No reimbursement will be paid where there is no tuition expense.

- c. Credits will be accepted only from institutions approved by the Pennsylvania Department of Education for certification purposes.
- d. Credits must be earned in the applicant's field of assignment or with superintendent approval courses directly related to the administrator's field of assignment. These credits must be at the graduate level.
- e. An administrator who is working under emergency certification only will not be eligible unless the course will help qualify the administrator for regular certification in his/her field of assignment.
- f. If an administrator leaves the employment of the district within 18 months of receiving reimbursement for a completed course(s), the administrator shall, in turn, fully reimburse the district for the money paid to the administrator for any course taken during that eighteen-month period.

Members of the immediate family or step-family shall be defined as father, mother, brother, sister, son, daughter, husband, wife, parent-in-law, step-parents, step-children, step-siblings or near relative who resides in the same household, or any person with whom the employee has made his/her home.
